Re: First Request for Information; Portland Harbor Superfund Site, Portland, Oregon
Taiwan Navigation Co.
Our Ref: 12409

Dear Ms. Koch:

Enclosed are:

1. Taiwan Navigation Co.'s response to the referenced request;
2. Index of Documents Produced Responsive to EPA 104(e) Requests;
3. A CD with responsive documents; and
4. Taiwan Navigation Co.'s privilege log.

In the voice message you left for me on 14 Dec 2009, you indicated that EPA did not require production of the time sheets and other backup documentation to the Reidel invoices related to the TAI CHUNG oil spill cleanup. Therefore, only the invoices have been produced. They are described in the body of Taiwan Navigation Co.'s response, at paragraph 51A.

Please let me know if you have any questions.

Very truly yours,

Todd A. Zilbert
